TL26 Quick Date Calculations Step by Step

Reset

1. Enter DATE OF TOW Here January | 1 | 2003

2. Choose VEHICLE YEAR choose ...Over 3 years old | or...3 years old or newer

3. CHECK Date of Sale must be on or after _____ **AND IF SO, GO TO #4**

4. Enter ACTUAL DATE OF SALE January | 1 | 2003 then Push to Calculate

5. CHECK Notice of Claim of Lien; date sent on or before _____

6. CHECK Notice of Sale, date sent on or before _____

7. CHECK Advertisement, date published on or before _____

*** BY THIS DATE TO CHARGE STORAGE FEES. Also date must be adjusted for Holidays - see note below*

8. END --- CHECK ALL NON-DATE ITEMS

Please use your procedure manual timeline as needed. Intended as a helpful tool only. Form is NOT PRINTABLE and should not be used as a checklist - use checklist if reject needed.

*If a 'Monday' holiday falls between the date of tow and Notice of Claim of Lien date, manually add **1 day** to this date (#5). If holiday falls on a day other than Monday, sorry, you must calculate the 7 business days by hand. See procedures as needed.
