

Understanding the Section, Township, Range Map

These maps are used to identify where a particular piece of property is located. It is a grid which overlays a map of Hillsborough County and within the grid are the sections which are between a specific township and range.

There are 36 sections within a township and range. The first thing would be to obtain the section, township, and range of a particular property. You can find this from the parcel identification number.

The ranges run horizontally along the map and the townships run vertically along the map.

First find the township of the property and follow across to the appropriate range, then you will find your section.

Example:

The section, township, and range is 15-28-18

		R 17 E					R 18 E					
T 28 S	6	5	4	3	2	1	6	5	4	3	2	1
	7	8	9	10	11	12	7	8	9	10	11	12
	18	17	16	15	14	13	18	17	16	15	14	13
	19	20	21	22	23	24	19	20	21	22	23	24
	30	29	28	27	26	25	30	29	28	27	26	25
	31	32	33	34	35	36	31	32	33	34	35	36
T 29 S	6	5	4	3	2	1	6	5	4	3	2	1
	7	8	9	10	11	12	7	8	9	10	11	12
	18	17	16	15	14	13	18	17	16	15	14	13
	19	20	21	22	23	24	19	20	21	22	23	24
	30	29	28	27	26	25	30	29	28	27	26	25
